PROJECT SEMINAR

Oral presentation is an important aspect of engineering education.

The objective of the seminar is to prepare the student for a systematic and independent study of the state of the art topics in a broad area of his/her specialization.

Seminar topics may be chosen by the students with advice from the faculty members. Students are to be exposed to the following aspects of a seminar presentation.

- Literature survey
- Organisation of the material
- Presentation of OHP slides/PC presentation
- Technical writing.

Each student is required to :

1. Submit a one page synopsis before the seminar talk for display on the notice board.
2. Give a 20 minute presentation through OHP, PC, Slide projector followed by a 10 minute discussion.
3. Submit a report on the seminar topic with a list of references and slides used

Seminars are to be scheduled from the 3rd week to the last week of the semester and any change in schedule should be discouraged.

For award of the Sessional marks, students are to be judged by at least two faculty members on the basis of an oral and written presentation as well as their involvement in the discussions.
