Oral presentation is an important aspect of Engineering education. The objective of the Seminar is to prepare the student for a systematic and independent study of the state of the art topics in a broad area of his /her specialization.

Seminar topics may be chosen by the students with advice from the ~ faculty members.

Students are to be exposed to following aspects of a Seminar presentation.

- Literature survey ,
- Organization of the material
- Presentation of OHP slides / PC presentation
- Technical writing

Each student is required to:

1. Submit a one page synopsis before the Seminar talk for display on the notice board.
2. Give a 20 minutes presentation through OHP or or Slide projector Followed by a 10 minutes discussion.
3. Submit a report on the seminar topic with list of references and slides used. Seminars are to be scheduled from 3rd week to the last week of semester and any change in schedule should be discouraged For award of sessional marks, students are to be judged by at least two faculty members on the basis of an oral and written presentation as well as their involvement in the discussion.
