ABOUT THE COLLEGE

Stanley College of Engineering and Technology for Women - a temple of learning, a subsidiary of Indur Educational Society was established in the year 2008 on a sprawling 6-acre campus of historic Stanley College campus at Abids, Hyderabad. The college provides a serene and tranquil environment to the students, boosting their mental potential and preparing them in all aspects to face the cut-throat global competition with a smile on the face and emerge victorious. Stanley College of Engineering and Technology for Women has been established with the support of Methodist Church of India that has been gracious and instrumental in making the vision of an Engineering College on this campus a reality.

The College is affiliated to the prestigious Osmania University, Hyderabad. It has been approved by AICTE, New Delhi and the Government of Telangana. It has been sanctioned four UG-courses - Electrical and Electronics Engineering, Computer Science & Engineering, Electronics and Electrical Engineering, Information Technology and PG courses - M.Tech in CSE, SE, Embedded Systems and DSCE & MBA.

We at Stanley aim to serve the state, nation and the world by creating knowledge, preparing students for lives of impact, and addressing critical societal needs through the transfer and application of knowledge.

Stanley believes in providing a quality and holistic engineering education through a combination of experienced faculty, innovative programs and course work, and industry and institute collaboration in providing research and employment opportunities on campus. Stanley is driven by a brilliant team of faculty who have an unparalleled reputation for balancing excellence in their fields with a dedication to their students.

The Department of Information Technology was established in the year 2008 with initial intake of 60. The departments comprise of well qualified and senior faculties.

The department regularly organizes seminars, workshops, and guest lecturers for the students. Faculty development programs are organized for faculty to promote high standards in technical education.

The Central Library is a great source of information where the students and the faculty immerse themselves in the realm of knowledge. It has huge collection of Text and Reference Books, CD/DVDs, Journals, Magazines and Newspapers pertaining to varied subjects such as Engineering, Science and Humanities besides three Departmental Libraries. The Library enables all users/readers to browse the library collection through On-line Public Access Catalogue (OPAC).

ABOUT THE PROGRAMME

In academic line teaching and research plays a pivotal role. In this context workshop is being planned by introducing senior academicians from reputed institutes of national importance like OU. This workshop will address the basics of research and explore advanced research areas like NLP, Security, Semantic Web and other relevant areas.

WHO CAN ATTEND

Faculty, Industry persons, research scholars and M.Tech students.

PROGRAMME SCHEDULE

22nd February 2016

FN SESSION Stanley Faculty
AN SESSION Prof. M L Sai Kumar

23rd February 2016

FN SESSION Stanley Faculty
AN SESSION Prof. Sameen Fatima-O.U.

24th February 2016

FN SESSION Stanley Faculty
AN SESSION
SESSION-1 Prof. S Ramachandram,
Principal-O.U.
SESSION-2 Dr. K Shyamala-O.U.

ADDRESS FOR CORRESPONDENCE

Co-ordinator,
Workshop on Research Methodologies.
