

## **Carpentry-viva**

1. What is bench vice?
2. How many types of files?
3. What is chisel? What are the safety precautions are required in carpentry
4. What are the safety precautions are required in carpentry?
5. How many types of chisel?
6. What is carpentry?
7. What are the tools required in carpentry?
8. What are drilling tools
9. What is mortise chisel?
10. What is rough file and smooth file

## **Fitting-viva**

1. What is marking gauge?
2. What is full form of M.S?
3. What are the tools required in fitting
4. What is angle plate?
5. What is holding tools?
6. What is thickness of metal?
7. What are the safety precautions are required in fitting section?
8. What is centre punch?
9. What is dot punch?
10. What is c- clamp?

## **Sheet metal-viva**

1. What is scriber ?
2. What is thickness of G.I sheet ?
3. What is full form of G.I ?
4. What are the uses of soldering ?
5. What are the tools are required in sheet metal ?
6. What is steel rule ?
7. What is try square ?
8. What is wood mallet ?

9. What are the safety precautions are required in sheet metal section ?
10. What is soldering ?

### **Plumbing –viva**

1. What are tools are required in plumbing section ?
2. What is pipe vice?
3. What is coupling ?
4. What is bush ?
5. What is union and nipple ?
6. What is gate valve?
7. What is tee ?
8. What is elbow ?
9. What is pipe wrench ?
10. What are safety precautions required in plumbing section ?

### **House wiring-viva**

1. What are the tools are required in house wiring ?
2. What is screw driver ?
3. What is tester ?
4. What is lamp holder?
5. What Is difference between one way switch and two way switch ?
6. What are safety precautions required in house wiring section
7. What is house wiring ?
8. What is plug
9. What is earthing
10. What is socket outlet ?

### **Welding –viva**

1. What is soldering ?
2. What is welding ?
3. What are the metals used in welding ?
4. What is electrode ?
5. What are the tools are required in welding section ?
6. What are the safety precautions are required in welding section ?
7. What types of joints
8. What is gas welding
9. What is hammer
10. What is steel rule
