About Us
Stanley College of Engineering and Technology for Women was established in 2008-09 on the historic Stanley College campus in Abids, Hyderabad that has been a landmark of excellent education for over a century. It is well connected by road and MMTS from all corners of the city. Stanley College was established with the support of Methodist Church of India which has been instrumental in making the vision of establishing an Engineering College on this campus a reality. The College is affiliated to Osmania University.

Our Mission
Enabling quality engineering education for girl students to make them competent and confident to succeed in professional practice and advanced learning.

Providing state-of-art-facilities and resources towards world class education. Integrating qualities like humanity, social values, ethics, leadership towards their contribution to society.

Our Vision
Empower WOMEN, Impact the WORLD
Empowering girl students through professional education integrated with values and character to make an impact in the World.
College Highlights

Library
Stanley boasts of a fully automated modern library having a vast collection of over 3287 titles with 18028 volumes related to Technical Education. National and International Journals, periodicals and magazines are subscribed to regularly, so that students can have access to a treasure of learning resource. It plays an important role in the provision of information to the academic community.

Laboratories
Stanley has advanced Laboratories with an ideal student ratio of 1:1 to sharpen technical skills and to provide continuous support to students in familiarizing themselves with modern work requirements and thus preparing them for their career.

Workshops and Seminars
Seminars and workshops are conducted round the year. Technical papers are published by the students and new technology models are demonstrated in the institution to develop research oriented learning and to be creative in reporting and communication skills. Talks and interactive sessions by eminent personalities from the industry are invited for the students.

Sports and Entertainment
We believe in the adage ‘A healthy mind resides in a healthy body’. The campus provides an open atmosphere to take any sports activity. The college encourages its students to participate in various sports and games like volleyball, shuttle badminton, table tennis, chess and carrom under the guidance of faculty. The college has the necessary infrastructure to pursue these activities.

On-Campus Hostel Facility
Stanley is providing hostel accommodation in the college premises at an affordable price. Stanley lays a great deal of emphasis on providing utmost comfort and state of the art facilities to our students. We ensure that all students will be endowed with a sense of home away from home. We offer students well furnished room facilities that meets their complete educational requirements.

Bus Transportation
Stanley is providing transport facility for the benefit of the students, commuting from four corners of Greater Hyderabad. Stanley’s Bus transportation will be a great relief from the overcrowded RTC buses and will ensure that students are safe reach college on time.

Digital Classrooms & Wi-fi
Majority of our classrooms are equipped for digital facility. Stanley believes in the benefit of 'Visual learning' and hence all our teachers use E-modules to teach. NPTEL classes are made a part of the curriculum.
Milestone Of Stanley

- Stanley is a part of 10 colleges affiliated to Osmania University in Hyderabad.
- Bhargavi Manukonda got 1st rank & Swathi Soni bagged 7th rank under Osmania University in CSE.
